

The **real cost** of insurance claims on your fleet

Many self-managed or self-insured fleets have insurance excesses exceeding \$5,000, but in our experience, most passenger vehicle repairs are much less.

Financial Impact

Exactly what is the real cost of collision repairs for your fleet each year?

FLEET SIZE

Based on 10% of the fleet having one at fault accident per annum

100

INSURANCE

Average excess payable for at fault accidents for self managed or self insured fleets

PER VEHICLE

\$5,000

TOTAL COST

\$50,000

AMA DIRECT

Approximate average cost of repair for passenger vehicles completed by AMA Group

PER VEHICLE

\$2,900

TOTAL COST

\$29,000

BOTTOM LINE IMPACT \$21,000
